SL550SS Thirteen function pyrolytic oven

Oven functions

 $\textcircled{X} = X \otimes \boxtimes =$ **XP**

Features

- · Recipes on inner door glass
- Cooling fan ٠
- · Minute minder
- Chromed rack sides with integrated anti-tilt • shelves
- Automatic cooking
- Semi automatic cooking
- ٠ Extra large cavity
- Preheating indicator
- Residual heat indicator ٠
- ٠ Safety key lock
- Safety lock for pyrolytic cleaning ٠
- Touch control
- Easy clean enamel interior

Door features

- · Soft close door • Quadruple glazed cool door
- Number of glasses in door: 4
- ٠ Door opening: Drop down ٠
- Removable door
- Removable inner door glass for easy cleaning •

Accessories

- Telescopic shelf kit: 2 x 75%
- Flat oven shelves: 1
- · Grill pan with grid: 1
- Space saver oven shelf: 1
- Available in
 - White glass: 0.71
 - Black
 - · Stainless steel

Technical specification

- Power cable length: 1.3
- Power Supply: 13A
- Net Capacity: 77
- Rated electrical power: 2.8kW

Energy

- Energy efficiency class: A+
 Energy consumption conventional: 0.99kW
